

Letter of Agreement
Honolulu (vHCF) and Anchorage (vZAN)
Effective Feb 7, 2018

Purpose

This agreement between Honolulu (vHCF) and Anchorage (vZAN) covers coordination procedures and is supplementary to the procedures in FAA JO 7110.65, VATSIM policies and procedures, and any other governing document.

Cancellation

None.

Mutual Automatic Visiting Privileges

- All active HCF controllers holding a controller rating of S1 or greater, who are certified to control HCF minor positions, shall be granted the same privileges at ZAN as a visiting controllers. No request will be required by the controller, as these privileges will be automatic and immediate.
- All active ZAN controllers holding a controller rating of S1 or greater, who are certified to control ZAN minor positions, shall be granted the same privileges at HCF as a visiting controllers. No request will be required by the controller, as these privileges will be automatic and immediate.
- Automatic visiting privileges shall only extend to minor facilities. Designated airspace, as defined in the VATSIM Global Ratings Policy, shall not be included in this arrangement. Controllers shall obtain major airspace certifications the same as any visiting controller.
- This arrangement may be terminated for specific controllers with cause by the Air Traffic Manager or Deputy Air Traffic Manager of the visited ARTCC. The staff member initiating the termination of privileges shall notify the member's Air Traffic Manager and Deputy Air Traffic Manager of the termination. The management of the home facility shall notify the member of their termination from the program.
- This arrangement remains subject to the terms of the [VATUSA Visiting Controller Policy \(DP002\)](#).
- Controllers exercising automatic visiting privileges are not subject to any minimum visiting controller activity requirements of the visited facility.
